CONTRIBUTORS TO VOLUME LXXII.

- S. L. ABBOT, M.D., Physician to Massachusetts General Hospital.
- ALEXANDER R. BECKER, M.D., Providence, R. I.
- J. N. BORLAND, M.D., Physician to Boston City Hospital.
- HENRY I. BOWDITCH, M.D., Professor of Clinical Medicine in Harvard University.
- GEORGE CAPRON, M.D., Providence, R. I.
- M. WENDELL CASE, M.D., Chicago, Ill.
- D. W. CHEEVER, M.D., Demonstrator of Anatomy in Medical School of Harvard University, and Surgeon of the City Hospital, Boston.
- EDWARD H. CLARKE, M.D., Professor of Materia Medica in Harvard University.
- B. E. COTTING, M.D., Roxbury.
- C. W. COWLES, M.D., Stanstead, C. E.
- E. DANIELS, M.D., Owego, N. Y.
- GEORGE DERBY, M.D., Boston, Surgeon U. S. V.
- HASKET DERBY, M.D., Surgeon to the Massachusetts Charitable Eye and Ear Infirmary.
- S. M. DINSMORE, M.D., E. Washington, N. H.
- JOHN W. DOOLEY, Assistant in Ophthalmic Department of City Hospital.
- CALVIN ELLIS, M.D., Adjunct Professor of Theory and Practice of Medicine, and Physician to Massachusetts General Hospital.
- O. F. FASSETT, M.D., E. Berkshire, Vt.
- JOHNSON GARDNER, M.D., Providence, R. I.
- M. F. GAVIN, M.D., House Surgeon to Boston City Hospital.
- J. S. GREENE, M.D., Dorchester.
- J. C. HARRIS, M.D., W. Cambridge.
- Rev. THOMAS HILL, D.D., President of Harvard University.
- R. M. HODGES, M.D., Surgeon to Massachusetts General Hospital.
- WILLIAM HOLBROOK, M.D., Palmer.
- JOHN HOMANS, JR., M.D., Boston, Assistant Surgeon U. S. A.
- J. B. S. JACKSON, M.D., Professor of Morbid Anatomy in Harvard Univ.
- B. JOY JEFFRIES, M.D., Boston.
- F. A. H. LARUE, M.D., Prof. de Médecine Légale et Toxicologie à l'Université Laval, Quebec, C. E.
- EDWARD G. LORING, M.D., formerly Assistant in Ophthalmic Department of City Hospital.
- CHARLES MUNDE, M.D., Northampton.
- HENRY K. OLIVER, M.D., Physician to Boston Dispensary.
- EZRA PALMER, M.D., Boston.
- LUTHER PARKS, M.D., Boston.
- J. P. REYNOLDS, M.D., Physician to Boston City Hospital.
- F. C. ROPES, A. A. Surgeon U. S. A.
- AMOS SAWYER, M.D., Hillsboro', Ill.
- GEORGE C. SHATTUCK, M.D., Professor of Theory and Practice of Medicine in Harvard University, and Physician to Massachusetts General Hospital.
- A. D. SINCLAIR, M.D., Physician to Out-Patients to Massachusetts General Hospital.
- ISAAC SMITH, Jr., M.D., E. Stoughton.
- T. H. SQUIRE, M.D., Surgeon 89th N. Y. Vols.
- D. HUMPHREYS STORER, M.D., Prof. of Obstetrics and Medical Jurisprudence in Harvard University.
- A. W. THOMPSON, M.D., Northampton.
- J. B. TREADWELL, M.D., Boston.
- W. H. TRIPLETT, M.D., Washington, D. C.
- J. B. UPHAM, M.D., Physician to Boston City Hospital.
- J. MASON WARREN, M.D., Surgeon to Massachusetts General Hospital.
- W. C. WHEELER, M.D., Chelsea.
- H. W. WILLIAMS, M.D., Surgeon to Ophthalmic Department of Boston City Hospital.
- JEFFRIES WYMAN, M.D., Hervey Professor of Anatomy in Harvard Univ.

INDEX TO THE SEVENTY-SECOND VOLUME.

- Abbot, Dr. S. L., appointed visiting physician to Mass. General Hospital, 106; case of variolous roseola, 281
 Abscess, of brain, caused by fracture of occipital bone by a bullet, 109; retropharyngeal, 508
 Accoucheurs, puerperal fever propagated by, 86
 Action of depressing causes in producing structural change; pathological anatomy of pneumonia, 229
 Address to graduating class of Harvard University, 269
 Advertising by physicians, resolutions of the New York State Medical Society on, 106
 Air in uterine veins, death from, 367
 Almshouses, State, cause of mortality in, 44
 Amaurosis, simulation of, 201
 American Medical Association, 24, 47, 303, 383, 397, 415, 433
 American Ophthalmological Society, annual meeting, 452
 Anachronism in medical education, 303
 Anaesthesia by chemically pure ether, 283
 Aneurism, in young people, cause of, 109; of the innominate, 19
 Animals, scarlet fever in, 107
 Anthelmintic properties of benzine, 58
 Aorta, spontaneous laceration of, 89
 Apoplexy, case of, 182
 Appointments in Yale College, 88
 Appointment of Dr. S. L. Abbot as visiting physician to Mass. General Hospital, 106
 Amor-clad ships, sanitary condition of, 87
 Army, French, mortality in the, 248
 Army Medical Staff, 323
 Army, order concerning death from anaesthetics in the, 168
 Arsenic as a medicine, 176
 Association, American Medical, 24, 47, 303, 383, 397, 415, 433
 Asthma, spasmodic, hot brandy in, 287
 Bacteridia and malignant pustule, 486
 Bantingism and obesity, 457
 Bartlett, Dr. Levi S., death of, 167
 Baths and swimming schools, 430
 Becker, Dr. Alexander R. Fiske Fund Prize Essay on gun-shot wounds, 49, 72, 91, 113
 Beef, entozoa in, 207
 Benzine, anthelmintic properties of, 58
 Bibliographical notices, 61, 160, 243, 425, 450
 Bigelow, Dr. Henry J., Welcome address to American Medical Association, 383
 Births, plural, 534
 Births and deaths in Hartford, Conn., 108
 Bladder, pathology and therapeutics of acute catarrh of, 170
 Blumenbach, account of, 347
 Borland, Dr. J. N., Cases of cerebro-spinal meningitis, 309; death following catamenial suppression, 373
 Boston Hospitals, 222
 Boston Society for Medical Improvement, 18, 80, 103, 182, 280, 360, 467
 Boylston prize for 1865, 455
 Brazil, letter from, 531
 Brown-Séquard, Dr., in Dublin, 166
 Butler Hospital for the Insane, statistics of the, 63
 Caffeine in the Kola-nut, 263
 Calculi, urinary, solvent treatment of, 447
 Camp diseases of the United States armies, 61
 Capron, Dr. George, Deformities of pelvis, 437; on rupture of membranes to facilitate labor, 336
 Case, Dr. M. W., Brandy in spasmodic asthma, 283; letter from, 246; sudden death in labor, 454
 Catamenial suppression, death, 373
 Cataract, Jacobson's method of extraction, 489
 Cerebro-spinal meningitis, at Palmer, Mass., 399; cases in City Hospital, 309; its relation to typhus, 480
 Cellular pathology, Virchow and the, 267
 Charities, Massachusetts State, 101
 Cheever, Dr. D. W., Leucocythæmia, 20; ovariectomy, case of, 197
 Chest, wounds of the, 9, 29; treatment by sealing unjustifiable, 169
 Child-bed, diet of, 134
 Children, Liebig's soup for, 141, 148, 166, 185
 Chlorodyne, an imitation of, 431
 Chloroform, death of a surgeon by, 288
 Chloroform deaths, three more, 123
 Chinese beauty's foot, 186
 Chinese doctor, 187
 Chittenden County, Vt., Medical Society, 67
 Cincinnati Medical College, commencement at, 187; branch of Sanitary Commission, 187
 Clarke, Dr. E. H., Action of narcaine, 349
 Clinical lectures on scrivener's palsy, 155, 199
 Coale, Dr. W. E., account of his death, 265, 374; resolutions on death of, 307
 Coalfields in Pennsylvania, 328
 College, Philadelphia Dental, ditto. of Pharmacy, ditto. Chicago Medical—commencement at and graduates of, 248

- College, Toland Medical, in San Francisco, 187; Cincinnati Medical, 187
- Colored soldiers, hospital for at Nashville, 108
- Commencement at Harvard Medical School, 107
- Commencement at and graduates of, Philadelphia Dental College, Philadelphia College of Pharmacy, Chicago Medical College, 248
- Commencement exercises at Harvard Medical School, 144; list of graduates at, 145
- Congenital interventricular opening or rupture of septum of the heart, 209
- Congenital tumors, containing fetal structures, 417
- Conjunctivitis, nitrate of silver and sulphate of copper in, 517
- Connecticut River Valley Medical Association, annual meeting of, 326
- Connecticut State Medical Society, 368
- Conservative surgery in gun-shot wounds of thigh, 9, 29
- Convergent strabismus a symptom and not a primary affection, 89
- Convulsions, puerperal, case of, 281
- Corpulency and leanness, 25
- Cotting, Dr. B. E. Letter from, 531
- Cowles, Dr. C. W. Case of birth of a child through a lacerated anus and perineum, spontaneous recovery, 131
- Creasote in sycosis, 327
- Daniels, Dr. E. Operation for hare-lip, 451
- Davis, Dr. N. S. Address to the American Medical Association, 386, 432
- Death, by sewage, 509; by suffocation, 279; during labor, sudden, 454; following catamenial suppression, 373; sudden, in labor, 284, 335; of a surgeon, by chloroform, 288
- Dental College in New York, 268
- Dental Society Iowa, resolution of concerning dental graduates, 188
- Derby, George, surgeon U. S. V. On the treatment of chest wounds, by sealing, 169
- Derby, Dr. Hasket. On convergent strabismus, 89; case of retinitis pigmentosa, 149
- Diet of child-bed, 131
- Digitalis, therapeutical and physiological action of, 300
- Dismoor, Dr. S. M., on a fatal case of diphtheria by inoculation, 175
- Diphtheria by inoculation, fatal case of, 175
- Disinfectant, a useful; note from Dr. M. F. Gavin, 47
- Dispensary, New York, patients in, 283
- Doctors, a tribute to, 145
- Ear, malformation and diseases of the, 247
- Ellis, Dr. Calvin. Action of depressing causes in producing structural change, the pathological anatomy of pneumonia, 229; congenital tumors containing fetal structures, 417; spontaneous laceration of the aorta, two cases of, 89
- Elm bark a remedy for tape worm, 132
- Encephaloid disease of stomach, 468
- Entozoa in veal and beef, 207
- Epidemic, the Russian, 262; official account of, 377
- Ether, sulphuric, protracted use of without fatal result, 57
- Expenses of meeting of the American Medical Association, 47
- Extra-uterine foetation, 361
- Extract of meat, 303
- Eye and Ear Infirmary, Massachusetts, cases treated in 1864, 188
- Fassett, Dr. O. F. Death by suffocation, 279
- Females, aged, indigent, fifteenth annual report of Association for Relief of, 188
- Fiske Fund Prize Essay on gun-shot wounds, 49, 72, 91, 113
- Fissure of rectum cured by forcible distension of anus, 207
- Fetal bones expelled from rectum, 360
- Fetal heart, sound of, heard in an unusual situation, 282
- Foetation, extra-uterine, 361
- Food of man in relation to work, 513
- Foot, Chinese beauty's, 186
- Foreign medical intelligence, 186, 434, 474, 512
- Fracture of occipital bone by a bullet, abscess of the brain, 100
- Fresh air for the working class, 163
- Gardner, Dr. Johnson, on sudden death in labor, 284
- Gavin, Dr. M. F., on a useful disinfectant, 47
- Glaucoma, 243
- Glycerin and its uses, Dr. Hartshorne's work on, 452
- Glycerin, properties and uses of, 240
- Graduates from Harvard Medical School, 535
- Green, Dr. Horace. A review of his treatise on pulmonary tuberculosis, 289, 312
- Greene, Dr. J. S. Air in veins as cause of sudden death in labor, 335
- Gun-shot fractures of thigh and wounds of the chest, conservative surgery, 9, 29
- Gun-shot wounds, of the thorax. Is the treatment by sealing justifiable? 169; particularly those caused by newly-invented missiles, 49, 72, 91, 113
- Hamilton City Hospital, 56
- Hammond, Surgeon-General, petition of to the U. S. Senate, 47
- Hare-lip, operation for, 454
- Hare-lip pins, 185
- Harris, Dr. J. C. Case of poisoning by veratrum viride, 249
- Harris, Dr. Luther M., obituary notice of, 46
- Hartford, births and deaths in, 108
- Harvard Medical School, commencement exercises at, 144; list of graduates at, 145, 535
- Harvard University, address to graduating class of, 269
- Healing power of various nations, 66
- Heart, rupture of septum of, 209; sound of fetal heard in an unusual situation, 382
- Hermaphrodite pig, 467
- Hill, Rev. Thomas. Address to graduating class of Harvard University, 269
- Hip, voluntary dislocation of, 470
- Holbrook, Dr. Cases of cerebro-spinal meningitis, 369
- Homans, John, Jr., Assist. Surg. U. S. A., on conservative surgery in gun-shot wounds of the thigh, 9, 29
- Horse-flesh banquet, 185
- Hospital at Readville, 368
- Hospital, Mass. General and McLean Asylum, annual report of, 222
- Hospitals, Boston, 222

- Hospital, city, operations in ophthalmic department of, 278; for colored soldiers, at Nashville, 108; Hamilton City, 66; Mason General Military, closed, 188; Knight ditto., New Haven, Ct., 188; Pennsylvania, appointments at, 208
- Human organs without nerves, lymphatics or capillaries, 86
- Hydrocephalus, 470
- Hydrophobia, human, 88
- Infantile syphilis, 208
- Innominate, aneurism of the, 19
- Insane Hospital, Wisconsin, statistics of, 248
- Insane, statistics of Butler Hospital for the, 63
- Iodine, as a disinfectant, 328
- Iowa Dental Society, resolution, 188
- Iritis, mercurials in, 206
- Iron, prevention of rust in, 266
- Jackson, Dr. J. P. S. Encephaloid disease of stomach, 468; case of extra-uterine foetation, 361; resignation of as physician to the Mass. General Hospital, 106; on rupture of septum of heart, 209; letter on his resignation at Mass. Gen. Hospital, 264
- Jeffries, Dr. B. J. Translation, 497
- Journals, medical, 362
- Kneeland, Dr. Samuel. Case of hydrocephalus, 470
- Kola-nut, caffeine in the, 266
- Laboratory, U. S., at Astoria, L. L. burnt, 188
- Labor, delayed by deformity of pelvis, 437; facilitated by rupture of membranes, 336; sudden death in, 246, 284, 335
- Lacerated perineum and anus, birth of a child through, spontaneous recovery, 131
- Laceration of uterus, 469
- Lead, action of water on, 121
- Lectures, Dr. Dean's, 228
- Leucocythemia, 20
- Lexicon, Medical, by R. Dunglison, M.D., 429
- Liebig's extract of meat, 303
- Liebig's soup for children, 141, 148, 166, 185
- Loring, Dr. E. G., on nitrate of silver and sulphate of copper in conjunctivitis, 517
- Maine Medical Association, annual meeting, 515
- Malformation and diseases of the ear, 247
- Malignant pustule and bacteridia, 486
- Man, hydrophobia in, 88
- Mania, puerperal, case of, 280
- Manual for army surgeons, work on, by William Grace, 429
- Manual for medical officers of the U. S. Army, Dr. Charles R. Greenleaf's work on, 162
- Massachusetts Dental Society, annual meeting of, 348, 432
- Massachusetts Medical Society, annual meeting of, 382; note concerning, 433
- Mass. Medical Society and regimental surgeons, 127
- Massachusetts State Charities, 101
- Materia Medica and Therapeutics, the Essentials of, work on, by A. B. Garrod, M.D., 450
- Materia Medica, review of Tully's Synopsis of, 189, 211, 231, 252
- Medical College, Ohio, commencement at, 208
- Medical Improvement Society, reports of, 280, 360, 467
- Medical Journals, 362
- Medical Journal, New York, 206
- Medical news, 28
- Medical testimony, 250
- Meetings of medical societies, 491
- Mercurials in puerperal pelvic cellulitis and iritis, 206
- Middlesex South District Medical Society, election of officers, 287
- Military prison life, statistics of, 221
- Military Surgery and Hygiene, Treatise by F. H. Hamilton, M.D., 425
- Molluscum contagiosum, 357
- Monstrosity, by Prof. J. B. S. Jackson, 82
- Mortality, in our State Almshouses, one of its causes, 44; in puerperal pelvic cellulitis, 206; in the French army, 248; in Providence, R. I., 208
- Mott, Dr. Valentine. * Resolutions on death of, 346
- Mourning, the nation's, 245
- Munde, Dr. Charles. On Bantingism, 457
- Muscle, transformed into fat, 18
- Muscular rheumatism, 423
- Narcin, experimental researches on, 349
- Natural History Society, prizes, 364,
- Necrosis of femur, case of, 129
- Nervous disorders, phosphates in, 165
- New York Medical Journal, 206
- Nitrate of silver and sulphate of copper in conjunctivitis, 517
- Nose, treatment of diseases of, 318
- Notices, bibliographical, 61, 160, 243, 425, 450
- Officers of Suffolk District Medical Society, 228
- Ohio Medical College, commencement at, 208
- Ophthalmic department of City Hospital, operations in, 278
- Ophthalmic medicine and surgery, 244
- Opium and its alkaloids, experimental researches on, 349
- Opium in the United States, 476
- Order respecting death from anaesthetics in the army, 168
- Organs, human, without nerves, lymphatics or capillaries, 86
- Outlines of the chief camp diseases of the United States armies during the present war, work by J. J. Woodward, M.D., 61
- Ovarian extirpations, 85
- Ovarian tumor, large, removed by Professor Greene, 108
- Ovariectomy, case of, 197
- Palmer, Dr. B. R., resolutions on death of, 496
- Palmer, Dr. Ezra. Vomiting of wool, 362
- Palsy, scrivener's, 155, 199, 461, 502
- Pamphlets received, 63, 88, 123, 208, 228
- Parks, Dr. L. Treatment of acute tonsillitis by solid nitrate of silver and incisions, 283
- Pathology and therapeutics of acute catarrh of the bladder, 170
- Pathology, surgical, Paget's lectures on, 163
- Patronage of science, 64
- Pelvis, deformities of, 437
- Pennsylvania Hospital, appointments at, 208
- Peristaltic lozenges, 148

- Pericarditis, with sudden death from valvular obstruction, 183
 Peritonitis, tubercular, cases of, 329
 Philanthropy during the war, 366
 Phlebitis, suppurative, death, 499
 Phosphates in nervous disorders, 165
 Pig, hermaphrodite, 467
 Placenta, retained, 477
 Pleura, false membrane from, containing a large cavity, 182
 Plural births, 534
 Plymouth District Medical Society, annual meeting, 365
 Pneumonia, pathological anatomy of, 229
 Poisoning by veratrum viride, 249
 Pork-eating, 25
 Power, healing, of various nations, 66
 Press, purification of the, 183
 Prison-life, military statistics of, 221
 Prisoners, starvation of, 342
 Prizes offered by Boston Society of Natural History, 364
 Prize offered for essay on mental and vital statistics, 208
 Protracted sleep, cases of, 48
 Providence Medical Association, 508
 Providence, R. I., mortality of, 208
 Puerperal convulsions, case of, 281
 Puerperal fever, propagated by accoucheurs, 86
 Puerperal inflammation of the eye-ball, early diagnosis of, 69
 Puerperal mania, case of, 280
 Puerperal pelvic cellulitis, mortality in, 206; mercurials in, 206
 Pulmonary Tuberculosis. A review of Dr. Horace Green's treatise on, 289, 312
 Purification of the press, 183
 Quinine, its action, 339
 Rectum, fissure of, cured by forcible distension of anus, 207
 Regimental Surgeons and Mass. Medical Society, 127
 Registrar's report of Boston, 471
 Registration report of Rhode Island, 168
 Report, annual, of Mass. General Hospital, City ditto., and McLean Asylum, 222; of Surgeon-General of Massachusetts, 83
 Resignation of J. B. S. Jackson, M.D., as physician to the Mass. General Hospital, 106, 264
 Retained placenta after abortion, 477
 Retinitis pigmentosa, in a child of first cousins, 149
 Retropharyngeal abscess, 508
 Review of recent works on syphilis, 38
 Reynolds, Dr. J. P. Cases of puerperal mania and convulsions, 280; muscular rheumatism, 423
 Rheumatism, muscular, 423
 Rhode Island, registration report of, 168
 Ropes, Dr. F. C. Cases of tania solium, 298
 Roscola variolous, 281
 Rupture of membranes to facilitate labor, 333
 Russian epidemic, the, 262; official account of, 377; properly typhus, 497
 Rust on iron, prevention of, 236
 Sanitary Commission, Cincinnati branch of, 187
 Sanitary condition of armor-clad ships, 87
 Scarlet fever in the lower animals, 107
 Science, patronage of, 64
 Sawyer, Amos, M.D. On the source of trichine, is pork an unhealthy article of food? 17
 Scrivener's palsy, 155, 199, 461, 502
 Sewage, death by, 509
 Shattuck, Dr. George C. Account of death of Dr. Wm. E. Coale, 374; pericarditis, with sudden death from valvular obstruction, 183; false membrane from pleura, containing a large cavity, 182
 Simulation of amaurosis, 201
 Sinclair, Dr. A. D. Case of phlebitis, 499
 Skin diseases, Dr. Hillier's Hand-book of, 450
 Skull from a Californian mound, 282
 Sleep, protracted, cases of, 48
 Smallpox and vaccination, 365
 Smallpox epidemic, another, 142
 Smallpox, in Dublin, India and Algiers, 268; in New Haven, 108
 Smith, Dr. Isaac, Jr. Vaccination and smallpox, 365
 Society, Medical Improvement, Boston, reports of, 280, 360, 467
 Softening of the brain, case of, 21
 Sound of fetal heart, heard in an unusual situation, 282
 Spontaneous laceration of the aorta, two cases of, 80
 Squire, T. H., Surg. 89th N. Y. Vols. On transportation of the wounded from the field of battle, 151
 Starvation of prisoners, 342
 State House, ventilation of, 203
 Statistics, mental and vital, prize offered for essay on, 208
 Statistics of military prison life, 221
 Stomach, encephaloid disease of, 468
 Storer, Dr. D. H. Fœtal bones expelled from rectum, 360
 Strabismus, convergent, a symptom, not a primary affection, 89
 Subcutaneous injection of morphia to check vomiting, 71
 Sudden death in labor, 246
 Suffocation, death by, 279
 Suffolk District Medical Society, officers of, 228
 Sulphuric ether, long-continued use of, without fatal result, 57
 Surgeon-General of Massachusetts, report of, 83
 Surgery, Gross's system of, 162
 Surgical pathology, Paget's lectures on, 163
 Sutures, tinned wire for, 263
 Swimming schools and public baths, 430
 Syccosis, treatment by creasote, 327
 Syme on Simpson's acupressure, 306
 Syphilis, hereditary, case of, 282; infantile, 208; review of recent works on, 38
 Tania solium, case of, 298
 Tape worm treated with elm bark, 132
 Testimony, medical, 250
 The Nation's mourning, 245
 Thompson, Dr. A. W. On subcutaneous injection of morphia to check vomiting, 71
 Thread, a large mass of, ejected from the stomach, 183
 Three more deaths from chloroform, 123
 Tilt on uterine therapeutics, 63
 Tinned wire for sutures, 268
 Toland Medical College, San Francisco, 187
 Tonsillitis, acute, treatment by solid nitrate of silver and incisions, 283
 Transformation of muscle into fat, 18

- Transportation of the wounded from the field of battle, 151
 Treadwell, Dr. J. B. Case of retained placenta, 477
Trichina spiralis, 167
 Trichine, are they derived from the hog alone? 17
 Triplett, Dr. W. H. Cases of tubercular peritonitis, 329; on aneurism in young people, 109
 Tubular pregnancy, 508
 Tubercular peritonitis, cases of, 329
 Tully's Classification of *Materia Medica*, review of, 189, 211, 231, 252
 Tumors, congenital, containing fetal structures, 417
 Typhus fever, in Scotland, 287; cases of, 509; its relation to cerebro-spinal meningitis, 480
 Upham, Dr. J. B. Softening of the brain, 21
 Uterus, laceration of, 469
 Uterine therapeutics, 63
 Variolous roseola, 281
 Veal, entozoa in, 207
 Venereal diseases at Vienna, 327
 Ventilation of the State House, 203
Veratrum viride, case of poisoning by, 249
 Vermont Medical Society, annual meeting of, 491
 Vienna University, 500th jubilee of, 308
 Vienna, venereal diseases at, 327
 Virchow and the cellular pathology, 267
 Vision, defective and impaired, 160
 Vital Statistics for the week, 28 and weekly
 Vomiting of mass of wool, 362
 Vomiting, obstinate, checked by subcutaneous injection of morphine, 71
 Walker, Dr. William J. Death and notice of, 226; resolution of Boston Society of Natural History on, 227
 "Ward" U. S. General Hospital, 268
 Warren, Dr. J. M. Case of necrosis of femur, 129
 Warsaw, charitable bequest in, 308
